Upon reviewing the minutes, strike the sentence, “Lonnie and I work extensively.” From Mr. Neal’s presentation. Also on page 9, replace skin with stem. A suggestion was made to review the minutes from the education section.

On the motion of Dr. Ramanujam, seconded by Dr. Finley, the LONI Management Council voted unanimously to postpone the minutes until further review.

CHIEF ADVISOR REPORTS/RECOMMENDATIONS

- Security Working Group- Ms. Patterson stated the group did not have anything to report.
- Research Working Group- Dr. Ramanujam is to create and lead this group. Dr. Ramanujam presented the information regarding a Research Working Group. See the attached document.

EXECUTIVE DIRECTOR UPDATES

Mr. Leger conducted a presentation on future meeting dates, LONI name change, LONI website, K-12 proposal, funding model, network update, and HPC update. See attached presentation.

- Future Meetings:
  On the motion of Dr. McMahon, seconded by Dr. Ramanujam, the LONI Management Council voted unanimously to have meetings February, April, August, and November. Effective immediately with the next meeting occurring in August.
  Previously discussed motion to move from 4 to 3 meetings has been tabled.

- Name Change:
  On the motion of Mr. Leger, seconded by Dr. Ramanujam, the LONI Management Council voted unanimously to change Louisiana Optical Network Initiative to Louisiana Optical Network Infrastructure.

- Website Update:
  LSU went to a new platform however the Board of Regents is re-branding. LONI is currently waiting on the Board of Regents new web platform.

- K-12 proposal:
Mr. Leger will be providing the Council with a copy of the background information, FAQs, response to law and legislators. There is a proposed meeting in July to discuss the buy-in and details.

- Funding Model:
  Mr. Leger has been speaking with Board of Regents’ staff regarding re-formulating what we are currently doing into the network-as-a-service and not just an individual consumable service. Executive Committee will look at the funding model in detail.

- Network Update:
  This past week we upgraded the capacity from LSU to Jackson, MS from 10G to 200G as well as upgraded the capacity from Jackson, MS to ULM from 10G to 100G.

- HPC Update:
  We can expect that the NSF and NIH awards can be applied as network-time on LONI but there is no way to capture that information.
